

Voting - Getting started!

Can you Vote?

You can vote in elections if you:

- Are a U.S. citizen including:
 - Immigrants who successfully get US Citizenship
 - Are born in the US
- Meet your state's residency requirements (live there for 30 days prior to the election)
- Are 18 years old on or before Election Day
 - You can register BEFORE you turn 18 if you are turning 18 by the next election
- Are registered to vote by your state's voter registration deadline
 - The deadline to register for the November 3rd election is October 19th

Registering to Vote

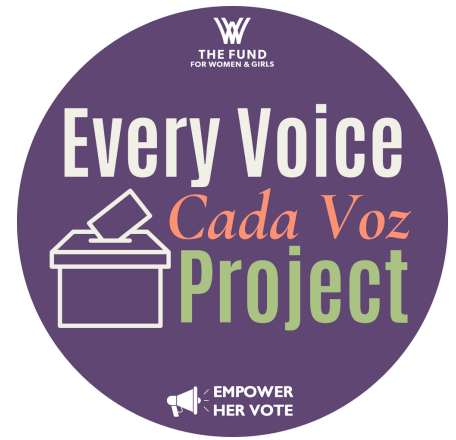

What do you need to vote?

- Personal information including full name, address, and date of birth
- Driver's license, state ID, or last 4 digits of your social security number
- Know what party you want to register with
- Know if you want to request language support when voting

Know Your Rights

Eligible voters have a RIGHT to vote!

- It is illegal for any state or local government to discriminate against anyone by denying them the right to vote based on their:
 - race, ethnicity, national origin, or membership in a language minority.
- Your right to vote can only be challenged if a poll worker or watcher, or another voter says you do not live in the precinct or are not who you say you are
- It is illegal for any person or corporation to intimidate or coerce you to vote for or against a particular candidate or political issue.
- To report any concerns, call your county voter services
- You can bring someone to help with language and interpretation.
- If you are in line at 8pm, do not leave the line - you are allowed to vote after 8am if you were already in line at 8pm.
