

30 THE FUND
YEARS FOR WOMEN & GIRLS

SPONSORSHIP OPPORTUNITIES

for The Fund's **30th Anniversary & Changemaker Event Series**

As The Fund celebrates three decades of advancing gender equity, our event series convenes community, sparks personal growth, and promotes civic engagement.

Sponsors play a critical role in making this work accessible, visible, and impactful.

YOUR SUPPORT MATTERS

The Fund for Women and Girls **has been leading and uniting the community for 30 years** to ensure that women and girls have resources and opportunities to thrive.

Your support drives systemic change for women and girls in Chester County by helping us:

- Invest in local nonprofits meeting urgent needs and
- Tackle the deeper barriers that keep people from getting ahead.

Our work centers on **Equity in Education, Health & Safety, and Economic Stability**, and is informed by the experiences of those most impacted.

WHY SPONSOR?

Sponsorship is more than visibility. It is a public commitment to advancing **equity as essential infrastructure**, supporting **women's leadership and civic participation**, and helping **build long-term solutions** that create lasting impact.

I'm truly grateful to The Fund for giving me the chance to keep learning while working on making real, lasting change that people can feel on a personal level

- Emily E.

WHAT YOUR SUPPORT MAKES POSSIBLE

2,216 women received free critical medical care, including cancer screenings, mammograms, pregnancy tests, and prenatal/postpartum care.

393 Parkesburg girls, many facing instability, food insecurity, and neglect, **received academic support, daily meals, and mentoring.**

560 caregivers obtained support for birthing and raising a baby, significantly improving long-term health outcomes for both mothers and babies.

5226 individuals received **training and/or education** in the prevention of, and intervention with, intimate partner violence.

690 families with 1198 children received a total of 86,000 **diapers**, 160 **safe portable cribs**, as well as **personal hygiene products.**

163 young mothers received resources to help them complete high school, pursue a GED, or enroll in educational program.

658 **school-based programs** were provided to 12,482 participants, to prevent sexual and gender-based violence
