In person

In-person voting

- In-person voting is when you go to vote in person, at your polling place, on election day - this year it will be November 3rd, from 7am-8pm
- Everyone else can use mail-in voting (also known as a “mail-in ballot” or absentee ballot”)

Absentee ballots

- Use an absentee ballot if you will be out of town at the time of election (military or out of the country)
- Everyone else can use mail-in voting (also known as a “mail-in ballot”)

Mail-in ballots

- You must apply to be a mail in voter by October 19th for the upcoming November 3rd election
- Return by mail OR at a ballot box - these are secure locations where you can drop off your ballot and the county will pick them up. This is a secure way to vote.
- If you have a disability, you can fill out a form that allows a designee to drop your ballot off at a drop box for you on the Chester County Voter Services site.
- Drop-boxes are located at all libraries and the Government Services Building in West Chester. To confirm when and where you can drop off your ballot, go to <https://www.chesco.org/4758/Ballot-Drop-Off-Locations> or call 610-344-6410
